

Capitol City Speech Therapy

MAGIC Preschool

MAGIC Preschool: Where learning is fun and magical!

**A total learning program for children ages 3-5 years old and
a toddler class for children 2 years old**

- * Magic is a multi-disciplinary teaching program designed to enhance your child's social, emotional, and intellectual growth with a small student to teacher ratio averaging 1:4. Max 10 kids per class!
- * A warm, happy, inclusion environment designed for children with varying developmental skills.
- * Morning sensory plan can be added before school to help your child learn to their fullest potential.
- * Progress meetings provided every 16 weeks to review child's profile and progress with teachers
- * Our open program is specifically designed to fit your child's developmental profile. Curriculum will follow your child's individual progress; using multi-teaching approaches to allow each and every child to achieve success—MAGIC!

Our curriculum incorporates NC Foundations and Creative Curriculum through:

- | | | |
|-------------------------------------|-----------------------------------|-------------------------|
| *Cognitive Skills & Speech/Language | *Circle Time | *Open and Creative Play |
| *Making Transitions | *Sign Language | *Gross & Fine Motor |
| *Cooperative Play | *Movement Activities | *Social/Emotional |
| *On-Site and Off-Site Field Trips | *Literacy—Pre-reading and Writing | *Making Choices |
- *Centers will include: sensory play, imaginative play, creative arts, math manipulatives

Patti Leveille, BS, CBRS, ITFS will be teaching the 3- and 4-year old classes. Her background includes Child Development: Birth-Kindergarten Teaching License and experience working with typically-developing children and children with special needs.

Nora Roehm, M.Ed., CBRS, ITFS will be teaching the 3- and 4-year old classes. Her background includes Child Development in typically-developing children and children with special needs as well as Young Child Mental Health. She has 30 years of experience working with young children with 11 of those years teaching preschool in the Chicagoland area.

Lauren Blake M.Ed CCC-SLP will be teaching the 2- and 3-year old class. Her background includes experience working with children with autism spectrum disorders, developmental delays, and ADD/ADHD.
