Lego Summer Camp

June 26th-30th

(Ages: 5-9) Max of 6 children

This unique summer camp will allow children to use their creativity while working on executive function skills. They will learn to plan, organize and make Lego constructions using their unlimited imaginations. They will work through the process of generating an idea, creating a model, building the product, managing their time, fixing problems, and evaluating their work.

Lego summer camp is from 10:00am-1:00pm Monday thru Friday.

Time: 3 hours

Cost: \$150 per week

Lunch: Bring your lunch

Registration Fee: \$25.00 (sign up at the front desk)
