

Capitol City Speech Therapy Lego Summer Camp

This unique summer camp will allow children to use their creativity while working on executive function skills.

They will learn to plan, organize, and make Lego constructions using their unlimited imaginations.

They will work through the process of generating an idea, creating a model, building the product, managing their time, fixing problems, and evaluating their work.

Camp 1: June 25th through 30th

Camp 2: August 6th through 10th

Fuquay-Varina Office
